## Forward-Looking Statements

The statements set forth in this press release, which describes Couche-Tard's objectives, projections, estimates, expectations or forecasts, may constitute forward looking statements within the meaning of securities legislation. Positive or negative verbs such as "believe", "can", "shall", "intend", "expect", "estimate", "assume" and other related expressions are used to identify such statements. Couche-Tard would like to point out that, by their very nature, forward-looking statements involve risks and uncertainties such that its results, or the measures it adopts, could differ materially from those indicated in or underlying these statements, or could have an impact on the degree of realization of a particular projection. Major factors that may lead to a material difference between Couche Tard's actual results and the projections or expectations set forth in the forward-looking statements include the effects of the integration of acquired businesses and the ability to achieve projected synergies, fluctuations in margins on motor fuel sales, competition in the convenience store and retail motor fuel industries, exchange rate variations, and such other risks as described in detail from time to time in the reports filed by Couche-Tard with securities regulatory authorities in Canada. Unless otherwise required by applicable securities laws, Couche-Tard disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The forward-looking information in this release is based on information available as of the date of the release.
