

## PRESS RELEASE

### Couche-Tard Acquires 54 Stores in the Midwest (U.S.)

---

#### ATD. A, ATD. B / TSX

**Laval, August 24, 2006** — Alimentation Couche-Tard Inc. announces that it has, through an indirect wholly owned subsidiary, Mac's Convenience Stores, LLC, signed an agreement to purchase 54 stores in Ohio from Holland Oil Company. Should this transaction close as planned in September 2006, these acquisitions would add sales of approximately US \$325 million to Couche-Tard's revenues and contribute to its earnings on an annualized basis. The transaction is subject to standard regulatory approvals and closing conditions. According to a confidentiality agreement between the parties, the purchase prices cannot be disclosed at this time. Internal cash flow dollars will pay for the transaction.

The 54 convenience stores currently operate under the **Holland Oil** and **Close to Home** banners. All 54 locations are company-operated. Fifty-two of the stores have CITGO branded gasoline while two are branded Gulf. There are 30 stores that have a beverage drive thru. The majority of the locations are in the Akron/Canton metropolitan area while the remainder are within the Cleveland metropolitan area. Pursuant to this agreement, the company would buy the land and buildings for all 54 convenience stores.

"Strategically, these acquisitions would be excellent complements to our current network in the Midwest and would efficiently complement the network expansion plans. Consistent with our development strategy, we selected these 54 stores based on the following criteria: prime locations, potential for growth and quality of people. Under our operation model and with the efficiency of our marketing programs, these 54 sites would contribute to improve profitability of the Division. Subsequent to these transactions, our network in the Midwest Division would include a total of 692 stores," indicated Darrell Davis, Vice-President Operations, Midwest Division.

#### Profile

Alimentation Couche-Tard Inc. is the leader in the Canadian convenience store industry. In North America, Couche-Tard is the third largest convenience store operator and the second largest independent (not integrated with a petroleum company) convenience store operator and the most profitable one within such category as a publicly held company. Couche-Tard's network is currently comprised of 5,144 convenience stores, 3,180 of which include motor fuel dispensing, located in eight large geographic markets, including three in Canada

and five, which cover 23 States in the United States. Some 37,000 people are employed throughout Couche-Tard's retail convenience network and executive offices.

The statements set forth in this press release, which describes Couche-Tard's objectives, projections, estimates, expectations or forecasts, may constitute forward-looking statements within the meaning of securities legislation. Positive or negative verbs such as "plan", "evaluate", "estimate", "believe" and other related expressions are used to identify such statements. Couche-Tard would like to point out that, by their very nature, forward-looking statements involve risks and uncertainties such that its results, or the measures it adopts, could differ materially from those indicated or underlying these statements, or could have an impact on the degree of realization of a particular projection. Major factors that may lead to a material difference between Couche-Tard's actual results and the projections or expectations set forth in the forward-looking statements include the effects of the integration of acquired businesses and the ability to achieve projected synergies, fluctuations in margins on motor fuel sales, competition in the convenience store and retail motor fuel industries, exchange rate variations, and such other risks as described in detail from time to time in the reports filed by Couche-Tard with securities authorities in Canada and the United States. Unless otherwise required by applicable securities laws, Couche-Tard disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The forward-looking information in this release is based on information available as of the date of the release.
