ALIMENTATION COUCHE-TARD PROPOSES TO ACQUIRE CASEY'S GENERAL STORES FOR \$36.00 PER SHARE IN CASH

ATD.A, ATD.B / TSX

Laval, Québec – April 9, 2010 – Alimentation Couche-Tard Inc. (“Couche-Tard”) today announced that it has submitted a proposal to the Board of Directors of Casey’s General Stores, Inc. (“Casey’s”) (Nasdaq: CASY) to acquire all of the outstanding shares of common stock of Casey’s for \$36.00 per share in cash.

Couche-Tard’s all-cash proposal represents a 14% premium over Casey’s closing price of \$31.59 per share on April 8, 2010, the last trading day prior to the public disclosure of Couche-Tard’s proposal, a 17% premium over Casey’s 90-calendar day average closing price, and a 24% premium over Casey’s one-year average closing price. The proposal also implies a last twelve months (as of January 31, 2010) EBITDA multiple of 7.4x and a price of \$1.3 million per store, which compares favorably to corresponding metrics of publicly-traded companies and precedent transactions in the convenience store industry. The transaction has a total enterprise value of approximately \$1.9 billion on a fully diluted basis, including Casey’s net debt of approximately \$29 million.

“We strongly believe that our \$36.00 per share all-cash proposal is compelling for Casey’s shareholders as it offers them the opportunity to realize full and immediate value for their investment,” said Alain Bouchard, President and Chief Executive Officer of Couche-Tard. “We are hopeful that Casey’s Board of Directors and management team will realize the compelling opportunities this transaction offers, as well as the benefits for all of Casey’s constituencies. Indeed, it is our strong preference to work cooperatively with them and to immediately begin discussions to negotiate a mutually acceptable transaction. We are committed to pursuing this transaction and are prepared to take all necessary steps to make this combination a reality.”

“We have great respect for Casey’s operations, management and talented employees and are confident that they would benefit from the expanded opportunities and resources available to them as part of a larger and stronger company,” continued Mr. Bouchard. “Couche-Tard is the leader in the Canadian convenience store industry and the largest independent convenience store operator in North America, whether integrated with a petroleum company or not, in terms of number of company-operated stores. We have successfully completed numerous similar transactions and are confident that by working together with Casey’s management we will be able to quickly and efficiently integrate our operations to form a stronger, more competitive player that can provide customers with the very best that our industry has to offer.”

Below is the text of the letter that was sent today by Couche-Tard to the Board of Directors of Casey's:

April 9, 2010

The Board of Directors of Casey's General Stores, Inc.
c/o Robert J. Myers
Casey's General Stores, Inc.
One Convenience Blvd.
Ankeny, Iowa 50021

Mr. Myers:

As conveyed to you in our letters dated March 9, 2010 and March 30, 2010, our Board of Directors has authorized a proposal to acquire all of the outstanding shares of common stock of Casey's General Stores, Inc. ("Casey's") at a price of \$36.00 per share in cash. Despite our repeated efforts starting in October 2009 to engage in negotiations, and without the benefit of discussing our proposal with us or our advisors, your Board of Directors unanimously rejected our proposal. Our goal remains to work with you to agree to a negotiated transaction. However, due to your unwillingness to engage in discussions and the unique opportunity presented by our proposal for your shareholders to realize full and immediate value, we are compelled to make this proposal known to your shareholders.

As we have stated in our prior correspondence, including our initial contact in October 2009, we believe that a combination of Casey's and Alimentation Couche-Tard Inc. ("Couche-Tard") presents an exciting opportunity to create significant value for our respective shareholders, employees, business partners and other constituencies. The transaction consideration implies a last twelve months (as of January 31, 2010) EBITDA multiple of 7.4x and a price of \$1.3 million per store, which compares favorably to corresponding metrics of publicly traded companies and precedent transactions in our industry. Our proposal represents a 14% premium over Casey's closing price on April 8, 2010, a 17% premium over Casey's 90-calendar day average closing price and a 24% premium over Casey's one-year average closing price.

Couche-Tard is the largest independent convenience store operator in North America (whether integrated with a petroleum company or not) in terms of number of company-operated stores. As of April 8, 2010, we had an enterprise value of \$4.1 billion. As you know, we have successfully completed similar transactions, including the acquisition of Circle K from ConocoPhillips and transactions with ExxonMobil, Shell, BP and Spirit Energy. As such, we are confident that we can successfully combine our two companies to quickly maximize the benefits for our respective constituencies.

We have an extremely high regard for your operations, management and talented employees. Our operations are highly decentralized and we have a track record of keeping most of the existing management and employees in place as we did in the Circle K acquisition and our other transactions.

Our senior management team and our legal and financial advisors have already completed extensive analysis and due diligence of Casey's based on publicly available information. As previously mentioned, we have retained Credit Suisse Securities (USA) LLC as our financial advisor and Dewey & LeBoeuf LLP as our legal counsel. We have also retained Innisfree M&A Incorporated as our proxy solicitor. We are prepared to proceed expeditiously and, with your cooperation, believe we can be in position to execute a definitive agreement within two to three weeks.

Given our financial strength and the strong support of our financing sources, we do not anticipate that financing for the proposed transaction will be an issue.

I want to emphasize to you and your Board of Directors our seriousness about this proposal and our commitment to a combination of Casey's and Couche-Tard. We are convinced that this proposal is compelling for Casey's and its shareholders and provides a unique opportunity for Casey's shareholders to realize full and immediate value. We also firmly believe that, given our approach to acquisitions, this transaction would be in the best interests of your employees, customers and the communities in which you operate. We believe that your continued failure to engage in discussions about our proposal is not in the best interest of your shareholders or any of your other constituencies.

Our strong preference is to work with you to negotiate a mutually acceptable transaction and avoid unnecessary costs. Our senior management team and our legal and financial advisors remain ready to meet with you and your representatives at your earliest convenience to discuss our proposal in detail. However, if you continue to refuse to engage in meaningful negotiations, we are prepared to submit our proposal directly to your shareholders and commence a proxy contest to replace your Board of Directors.

We urge you and your Board of Directors to reconsider our proposal. We look forward to a timely and favorable response.

Sincerely,

/s/ Alain Bouchard
