

PRESS RELEASE

**ALIMENTATION COUCHE-TARD SENDS LETTER TO  
THE BOARD OF DIRECTORS OF CASEY'S GENERAL STORES**

---

**ATD.A, ATD.B / TSX**

**Laval, Québec — September 10, 2010** — Alimentation Couche-Tard Inc. ("Couche-Tard") today announced that it has sent the following letter to the Board of Directors of Casey's General Stores, Inc. ("Casey's") (NASDAQ: CASY):

September 10, 2010

The Board of Directors of Casey's General Stores, Inc.  
Casey's General Stores, Inc.  
One Convenience Blvd.  
Ankeny, Iowa 50021

To the Board of Directors of Casey's General Stores:

We read with interest that you have authorized discussions with 7-Eleven, Inc.

We are disappointed that, instead of engaging in discussions with us with respect to our all-cash, fully financed tender offer for Casey's General Stores, Inc. ("Casey's"), including our recently increased offer price of \$38.50 per share, over the last five months, you have continually created obstacles that are designed not only to impede our offer, but to impede a sale of Casey's to any party. On September 7, 2010, with only two weeks remaining before the 2010 Annual Meeting of Shareholders of Casey's (the "Annual Meeting") and only days after completion of the self-tender by Casey's, you announced that you have authorized discussions with a third-party to explore a transaction based solely on a preliminary proposal that was first communicated to you in a telephone call on September 2, 2010. This appears to be an attempt to distract your shareholders, in the midst of a proxy contest, from considering our fully financed offer.

Since you have begun the process of exploring a sale transaction involving Casey's, we fully expect that you will afford us the same opportunity to participate in the process. Our senior management team and our legal and financial advisors have been and remain ready to meet with you and your representatives to negotiate a transaction that benefits your shareholders. We are prepared to proceed expeditiously.

Your shareholders will benefit if all interested bidders are granted equal access to the process and an opportunity to submit offers derived from that process. In our case, our offer has been made public since April 2010, and we have increased our offer price to \$38.50 per share. If we

are granted access to a fair process and have the opportunity to conduct a confirmatory due diligence review of Casey's, we would be willing to consider further increasing our offer. Should Casey's decline to conduct a fair process, your shareholders would be deprived of additional value that we may have been willing to offer.

To that end, we suggest that you delay the Annual Meeting, currently scheduled to be held on September 23, 2010, for two to three weeks so that you can complete a full and fair sale process and report the results of such process to your shareholders prior to the Annual Meeting. In this manner, your shareholders, the true owners of Casey's, will have the opportunity to decide the future of Casey's for themselves with the benefit of complete information.

We trust that you will act in the best interest of your shareholders and proceed with a full and fair sale process in a manner consistent with the above. We look forward to a timely and favorable response.

Sincerely,

/s/ Alain Bouchard

Alain Bouchard

President and Chief Executive Officer
