

PRESS RELEASE

COMPLETION ANNOUNCEMENT

ALIMENTATION COUCHE-TARD WAIVES ALL CONDITIONS, ANNOUNCES COMPLETION AND EXTENDS THE ACCEPTANCE PERIOD FOR THE VOLUNTARY OFFER FOR ALL THE SHARES OF STATOIL FUEL & RETAIL TO JUNE 20, 2012

Laval, Québec, Canada – June 5, 2012 – Alimentation Couche-Tard Inc. (“Couche-Tard”) (TSX: ATD.A ATD.B) today announces that it is waiving all the conditions under its offer, including but not limited to the 90% acceptance level as indicated in the Offer Document dated April 19th, 2012 under section 5.3(a) (page 29), on acquiring all the issued and outstanding shares of Statoil Fuel & Retail ASA (SFR/Oslo Børs) (“Statoil Fuel & Retail”) for NOK 51.20 per share in cash (NOK 53.00 before reduction for the dividend of NOK 1.80 paid to shareholders on May 9th, 2012). Any acceptances having been given under the offer are now unconditional. This is Couche-Tard’s final offer.

To allow shareholders to tender in light of the waived conditions of the offer and in line with regulatory compliance, Couche-Tard is hereby extending the Acceptance Period which will now expire at 17:30 CEST on June 20, 2012. There will not be any further extensions to the Acceptance Period.

Cash settlement will take place on June 19, 2012 for all shares having been tendered by June 12, 2012 at 24.00 CET. For shares covered by such settlement, June 15, 2012 will be the record date, meaning the last day where any shares accepted for will need to be visible on the accepting shareholder’s VPS account. In the evening of June 15, 2012, such shares will be transferred to Nordea’s escrow VPS account overnight.

Cash settlement for shares having been tendered after June 12, 2012 will take place after June 20, 2012.

Couche-Tard’s offer provides Statoil Fuel & Retail shareholders with an attractive, fully financed proposal in an environment characterized by severe market turbulence and uncertainty.

- Statoil Fuel & Retail’s Board of Directors has recommended that shareholders accept and tender their shares under the offer;
- Statoil ASA has tendered its 54% interest in Statoil Fuel & Retail to the offer;
- Couche-Tard’s offer values Statoil Fuel & Retail at 7.2x enterprise value to 2011 EBITDA*;
- Couche-Tard’s offer represents a premium of 53% to the closing price of Statoil Fuel & Retail shares on April 17, 2012, the last trading day prior to the announcement of the offer;
- To Couche-Tard’s knowledge, no third party has demonstrated interest in acquiring Statoil Fuel & Retail, in whole or in part, and no third party has provided the Board of Statoil Fuel & Retail with any alternative proposal to Couche-Tard’s offer;

- Three independent financial advisors have reached favorable conclusions relative to the fairness of Couche-Tard's offer; and
- Since the announcement, global and particularly European stock markets have contracted substantially. Specifically, Oslo Børs has contracted by 12.1% and the Euro Stoxx 50 index has contracted by 12.2% since April 17, 2012.

"We remain firmly convinced that our offer provides full and fair value for Statoil Fuel & Retail and believe that its shareholders will ultimately recognize that by tendering their shares prior to the June 20 deadline," indicated Couche-Tard's President & CEO, Alain Bouchard.

*EBITDA is defined as operating profit adjusted for depreciation, amortization, impairments and net income from associated companies, adjusted for reclassification of credit and debit card fees to operating expenses and effects that Statoil Fuel & Retail management considers may affect the comparability of the underlying operational performance. It does not have a standardized meaning prescribed by IFRS and therefore may not be comparable to similar measures presented by other public corporations.

About Alimentation Couche-Tard Inc.

Alimentation Couche-Tard Inc. is the leader in the Canadian convenience store industry. In North America, Couche-Tard is the largest independent convenience store operator (whether integrated with a petroleum corporation or not) in terms of number of company-operated stores. As of January 29, 2012, Couche-Tard had a network of 5,817 convenience stores, 4,225 of which include motor fuel dispensing. At the same date, the Corporation had agreements for the supply of motor fuel to 338 sites operated by independent operators. Couche-Tard's network consists of 13 business units, including nine in the United States covering 42 states and the District of Columbia, and four in Canada covering all ten provinces. More than 53,000 people are employed throughout Couche-Tard's retail convenience network and service centers.

Forward-Looking Statements

The statements set forth in this news release, which describe Couche-Tard's objectives, projections, estimates, expectations or forecasts, may constitute forward-looking statements within the meaning of securities legislation. Positive or negative verbs such as "will", "plan", "evaluate", "estimate", "believe", "expect" and other related expressions are used to identify such statements. Couche-Tard would like to point out that, by their very natures, forward-looking statements involve risks and uncertainties such that its results, or the measures it adopts, could differ

materially from those indicated or underlying these statements, or could have an impact on the degree of realization of a particular projection. Major factors that may lead to a material difference between Couche-Tard's actual results and the projections or expectations set forth in the forward-looking statements include the effects of the integration of acquired businesses and the ability to achieve projected synergies, fluctuations in margins on motor fuel sales, competition in the convenience store and retail motor fuel industries, exchange rate variations, and such other risks as described in detail from time to time in documents filed by Couche-Tard with securities regulatory authorities in Canada. Unless otherwise required by applicable securities laws, Couche-Tard disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The forward-looking information in this news release is based on information available as of the date of the release.
