ALIMENTATION COUCHE-TARD RENEWS SHARE REPURCHASE PROGRAM

Laval, Québec, Canada – April 26, 2023 – Alimentation Couche-Tard Inc. (“**Couche-Tard**”) (TSX: ATD) announced today that the Toronto Stock Exchange (“**TSX**”) has approved the renewal of its share repurchase program (the “**Program**”), authorizing Couche-Tard to repurchase up to 49,066,629 Common Shares (the “**Shares**”), representing 5% of the 981,332,584 Shares outstanding as at April 20, 2023. Based on the current share price, the completion of the Program in full would represent a total investment of approximately US \$2.4 billion or CDN \$3.3 billion.

The average daily trading volume for the six-month period preceding March 31, 2023 represents 1,348,269 Shares. In accordance with TSX requirements, Couche-Tard is entitled to purchase, on any trading day, up to a total of 337,067 Shares representing 25% of this average daily trading volume.

Couche-Tard believes that the purchase of up to 49,066,629 Shares under the Program is an appropriate use of its funds and a desirable investment for Couche-Tard and, therefore, would be in the best interests of Couche-Tard. By making such repurchases, the number of Shares in circulation will be reduced and the proportionate interest of all remaining shareholders in the share capital of Couche-Tard will be increased on a *pro rata* basis.

Couche-Tard may repurchase up to 49,066,629 Shares on the open market through the facilities of the TSX as well as through other alternative Canadian trading systems, from time to time, over the course of twelve months commencing May 1, 2023 and ending at the latest on April 30, 2024.

The actual number of Shares purchased under the Program, the timing of purchases and the price at which the Shares are bought will depend upon management discretion based on factors such as market conditions. All Shares repurchased under the Program will be cancelled upon their repurchase.

Couche-Tard’s previous Program expired on April 25, 2023, and authorized Couche-Tard to repurchase for cancellation up to 79,703,614 Shares. During the 12-month period ended April 25, 2023, Couche-Tard repurchased for cancellation a total of 52,024,694 Shares under its previous Program through the facilities of the TSX and alternative Canadian trading systems for an approximate total cost of US \$2.3 billion and at a weighted average price paid per share of approximately US \$44.90 or CA \$60.09.

In connection with the Program, Couche-Tard has established an automatic securities purchase plan with a designated broker whereby Shares may be repurchased at times when such purchases would otherwise be prohibited pursuant to regulatory restrictions or self-imposed

blackout periods. Under the automatic securities purchase plan, before entering a self-imposed blackout period, Couche-Tard may, but is not required to, ask the designated broker to make purchases under the Program. Such purchases will be made at the discretion of the designated broker, within parameters established by Couche-Tard prior to the blackout periods. Outside the blackout periods, purchases will be made at the discretion of Couche-Tard's management. The automatic securities purchase plan will constitute an "automatic plan" for purposes of applicable Canadian securities legislation and has been pre-cleared by the TSX.
